Attendance:

Kartikeya Shukla - Present
Brian Doyle - Present
Ryan Kittleson - Present
Joseph Reimer - Present
Vighnesh Iyer - Present

Brief Summary of Discussion:

Last full deadline to meet is coming up, Official Release on May 4th, at 4 pm. Last things required to satisfy requirements are-

- Beta Release Maintenance
- Creating the Official Release
- Youtube Video
- Implementing an Add-on Feature

We must choose an addon feature to implement, along with keeping on with bug reports. Current addon options seem to be either Instructor Based Quizzes, or Document Screening Before Downloading.

Last Weeks Accomplished Tasks:

Kartikeya - Bug Monitoring and Collaboration
Brian - Bug Monitoring, Collaboration and Lab Session
Ryan - Collaboration and Lab Session
Joseph - Collab and Bug Monitoring
Vighnesh - Collab, Bug Monitoring, Lab Session

Tasks to be Completed Before Next Meeting:

Kartikeya - Bug Resolution and Finals
Brian - Looking into addon features- potentially instructor quizzes.
Ryan - Presentation Preparation, Beginning Youtube video preparation early.
Joseph - Monitoring repository and addressing bugs and concerns.
Vighnesh - Looking into content viewing prior to downloading.
