Brief Summary of Discussion:
Discussed the efforts of last week for submitting our makeup report for Project Setup. Focus on visual updates for our dashboard page to be able to have a more enjoyable experience for users. Also, iron out some minor trivial bugs with extra buttons having no real effect on the website.

Details About Accomplished Tasks:
Brian: Fixed 45,46,47, extra updates to website usability and enjoyment.
Vighnesh: Aided bug fixes, makeup report, use cases and test procedures.
Kartikeya: Closed two trivial bugs, contributed a large amount to the makeup report.
Ryan: Helped with setting up extra beta release requirements.
Joe: Continued bug testing, additional work on makeup report and use case/test procedures.

Tasks to be Completed Before Next Meeting:(Or Work on through next meeting)
All Will Also Be Working on Collaboration Issues
Brian: Implementation of a search function.
Vighnesh: CSS fixes for frontend.
Kartikeya: Working on Collaboration Issues
Ryan: CSS fixes for frontend.
Joe: Visual updates to the dashboard buttons, still looking into #50

(Having three sharing these similar goals is to ensure that we have a slightly more polished look at the end of the week for the beta release.)
